Subject-India Business Meet (Bergamo, Milan & Mantova) from 4-6th July, 2016

Dear Mr.Sachin

Please refer to our earlier letter from Ambassador to Secretary (Textiles) and copy to TMMA, find the draft programme for the event 'India Business and Investment Meet' at Bergamo, Milan and Mantova. About 50 rooms have been blocked for Indian participants at Bergamo city at a cost of 75 Euro for four nights (3rd, 4th, 5th, 6th July). The chambers will provide transport service for movement from one city to another city. I will come back with more details on accommodation, venue and other things very soon.

2. I understood, Ambassador had a meeting with Secretary (Textiles) who may be attending the event. I wish your support in mobilising members from TMMA to participate in the event. Embassy will make the event structured and out come based. You may also like to give inputs/suggestions to the draft programme.

With regards
